

**PUPPY FOOD BANK**  
SERVING AMERICA'S PET RESCUES

# IMPACT REPORT 2024

No pet should ever lose their life over food shortages at a shelter. That's why we exist. The Puppy Food Bank is a virtual pet food bank with the sole mission to provide much needed food supplies to dedicated "no kill" pet rescue shelters across America. The funds we raise allow us to purchase and ship pet food directly to shelters, organizations, and approved foster families at no additional cost to them.

“ Making fostering more accessible is a huge struggle in rescue and providing essential supplies is crucial to supporting and maintaining a foster network!  
— Anais, Waggytail Rescue (NY) ”

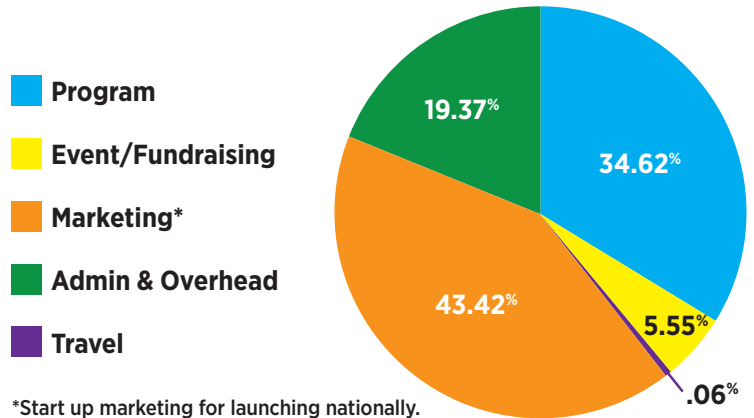

Launched nationally in April 2024. 8 states are receiving support from Puppy Food Bank. Texas, New York, California, Pennsylvania, Virginia, Florida, Arizona, and North Carolina.

“ The food from the Puppy Food Bank has helped us keep our doors open over the last year. We were struggling to pay our escalating vet bills, make critical repairs and still provide food to our dogs. 2024 was one of the most difficult years in rescue.  
— Patricia Godkin, A Doggie 4 You ”
